WE URGENTLY NEED FOSTERS FOR CATS AND KITTENS OF THE CENTRAL COAST

Kitten season is rampant from Spring to Fall and HART needs fosters who can help us save these vulnerable lives. Kitten fosters provide care and support to kittens until they are old enough to thrive on their own and be adopted.

Unfortunately, there are always more kittens and cats in need than fosters available to help them. You can make a huge impact by fostering these vulnerable animals, for a couple of weeks or more, and helping to spread the word about your experience to other potential foster parents.

HART provides all the food, supplies, veterinary care and support. All you need to provide is a warm home and plenty of TLC!

How to become a foster

To get started, [complete the online application](#). Attend a mandatory online Foster Club orientation where you will learn everything you need to know about our program and ask any questions you may have.

Foster requirements

All fosters must:

- Be 18 years or older or have a parent or guardian who is willing to oversee the care of a foster animal.
- Be willing and able to bring your fosters into HART for follow-up veterinary appointments.
- Feed, replace litter and keep your foster's area clean.
- Monitor your foster's daily health.
- Provide TLC and socialization to your foster.

Ready to apply? [Fill out our online foster application now.](#)

Have questions? Email Brittany Donecho, HART Foster Coordinator at
foster-coordinator@slohart.org

Not ready to foster just yet? You can still fill out our online application and attend our online Foster Club orientation for more information, then foster when the time is right for you.
